August/September Issue

안녕하세요!

Welcome to this special edition of the August/ September issue of Monash TKD newsletter! If you haven't noticed already, we are sporting a new shiny look! A lot has happened in these two months, so let's get under way. But before we start, we have some important reminders.

Reminder 1

There will be NO classes for the following days while our coach and the AUG competitors travel to Perth to represent Monash (wow!) during the mid semester break!

- Friday 23rd September
- Sunday 25th September
- Monday 26th September
- Wednesday 28th September
- Friday 30th September

But worry not! Normal training will resume from Sunday 2nd October

Reminder 2

AUG competitors please meet at Tullamarine Airport at 12pm if you are going on the team flight, don't be late!

Taekwondo Ball

This is the first year we have co-hosted Taekwondo Ball with other universities and it was a huge evening with over 100 attendees. On the night, all Victorian university TKD clubs have gathered together for our annual ball at Lincoln of Toorak. We have trained together many times throughout the year, but it was nice seeing everyone out of taekwondo uniforms! The evening ended with a bang as we partied hard together at the after party at SEVEN nightclub. A special thanks to the marketing team and the inter-university marketing committee for organising such a wonderful event.

Victorian Inter-Uni Championships

August 14th was the annual Victorian Inter-uni championship held at Monash University Caulfield. Over 50 competitors from Melbourne, RMIT, VU, LaTrobe, Swinburne and Monash University competed in sparring and traditional poomsae. 2016 VIUC was one of our most successful VIUCs to date, and the growing interest of the poomsae division since its introduction last year is extremely encouraging - we are excited to see which direction it takes in the future! Congratulations and well done to all competitors for your amazing display of skill, perseverance and indomitable spirit on the day, especially to the yellow and blue belts which this is their first official taekwondo tournament - how intimidating! Once again, we cannot thank enough the numerous coaches, referees, and volunteers who put their hand up to make this event such a huge success. Hope to see you all again at next year's VIUC.

Archery Attack!

Nock ... Draw ... Loose! Thank you for everyone who have attended Archery Attack! It was amazing to see not only current members of the club, but also older members of the club enjoy the night out. Archery Attack was a cardio intensive activity where we created an unforgettable experience with our team members. During the event, we played many different styles of Archery attack. It was never the same old game, it evolved and was a fast paced action game, such as Capture the flag, Protect the King and Team Deathmatch. We hope everyone had fun at Archery attack and hope to see you all at the next taekwondo event.

Grading

Congratulations to all that graded on September 2nd and 4th. The last grading before AUGs it was very encouraging to see members continuing to challenge themselves and pursue a higher belt level. Your hard work paid off! Special mention to Stephanie Wong our very own 2014 president for FINALLY getting her black belt, it has been long overdue!

Open Discussion Night

Thanks to everyone who attended the open discussion night. All the feedback was extremely insightful, and there were some great ideas suggested by some of you! The committee will reflect and take up some of the comments and ideas and try to implement as many of them as possible in the future! On a side note, I dare say the healthy wraps were more popular than any pizza we've had at any event!

Australian University Games - Good Luck!

Good luck to all the AUG competitors flying over to Perth on Friday 23rd September to compete in the weekend. You have all trained so hard throughout the year to get to where you are right now. Hopefully the last minute changes to AUGs have not flustered you guys too much, keep it up, you are almost there! Do us proud and do Monash proud!
